introduction

MER Conference

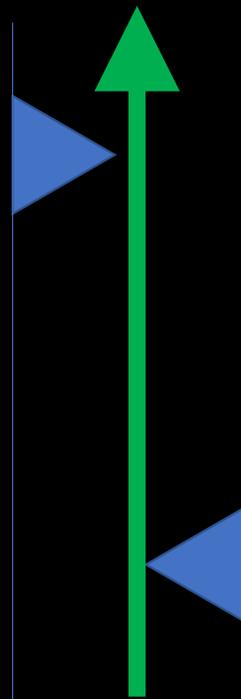

What's the goal?

Present State

Compliance
with Law

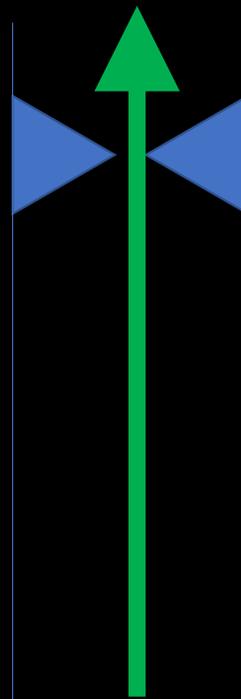

Information
Governance

VISION

Future State

Compliance
with Law

Information
Governance

Four routes

- **Compliance staircase**
- **Provide linkage to strategy**
- **Duty to protect assets**
- **Share the journey**

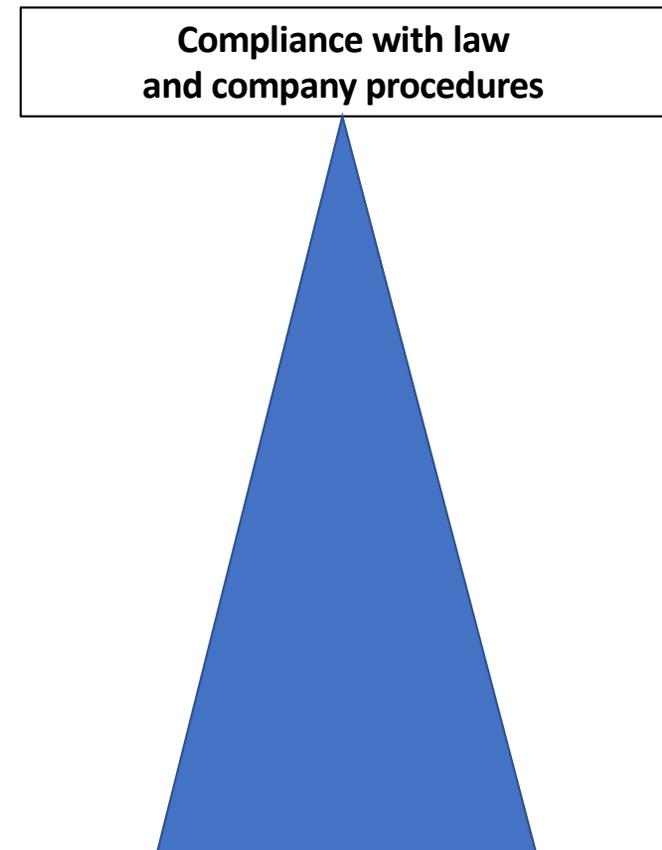

Compliance: Staircase to Heaven

Compliance staircase

Compliance staircase

Second route

Linking to the Company strategy

Third route

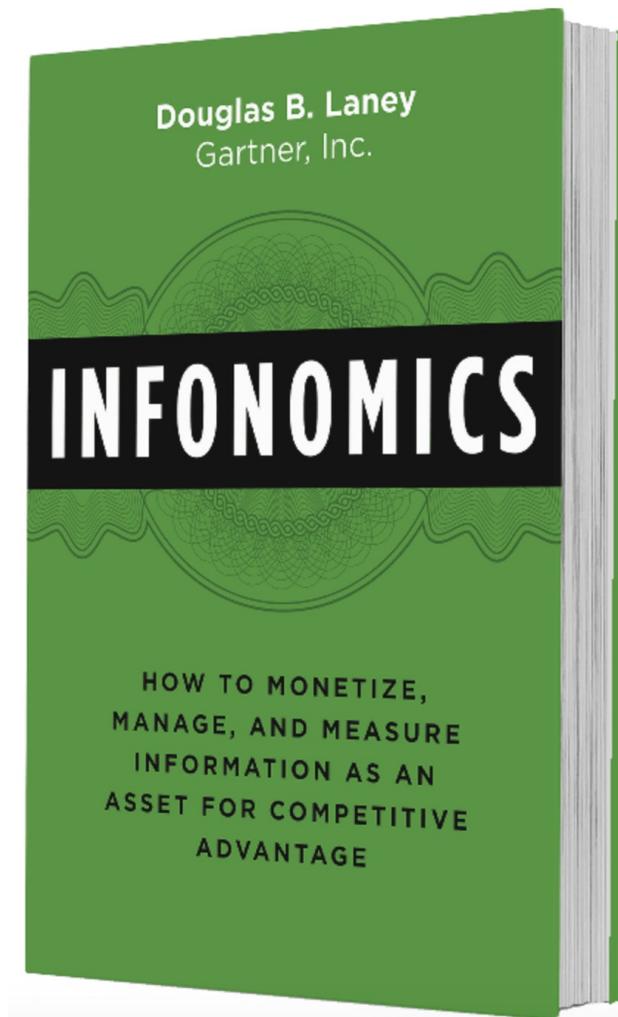

A close-up, slightly blurred photograph of several US dollar bills stacked on top of each other. The bills are in various orientations, showing parts of the \$100 and \$20 denominations. The green Treasury seal and the portrait of George Washington are visible on the \$100 bills. The text "THIS NOTE IS LEGAL TENDER FOR ALL DEBTS, PUBLIC AND PRIVATE" and the date "JULY 4, 1776" are also visible on the bills.

Information is an asset
